### National Information Exchange Model (NIEM) Executive Briefing

**Presenters:** *Mr. Kshemendra Paul, Chief Enterprise Architect/NIEM Program Manager, NIEM Program, U.S. Department of Justice (DOJ); Mr. Tom O'Reilly, Senior Policy Advisor, DOJ; Mr. Paul Wormeli, Executive Director, IJIS Institute; and Practitioner Representatives*

The NIEM Executive Briefing is an opportunity to explore NIEM in depth. This session will provide an overview of the NIEM program and will describe the data model and its components. It will also provide an overview of the current NIEM domains, NIEM program accomplishments, the current status of the NIEM model, and the state of NIEM adoption and use, and will delve into future plans for NIEM. A major part of the session will focus on the value of NIEM and how it leverages and expands the successes of standards-based information sharing. Participants will learn about the NIEM governance structure and how to successfully get involved with NIEM. Justice practitioners will present strategies for implementation coupled with lessons learned and case overviews. The changes and improvements made to NIEM via release 2.0, also known as the Harmony release of NIEM, will be discussed. Finally, the session will end with an update on the availability of NIEM tools and resources, and a brief look to the future of NIEM.
