## NICS COP JUNE 30, 2005 SYMPOSIUM FEEDBACK AND COMMENTS

We're glad you could participate in today's NICS Research Symposium. In order to make our time together even more productive, please give us your thoughts on today's session before you leave.

1. Please describe what you found most valuable in today's session.

2. Please give us any observations you may have on the session's structure and process so we can better plan future events.

3. Have you used the NICS website (wiki)? If so, to what extent do you find it valuable?

4. Do you have suggestions for future NICS CoP events that would be good for the community and help us as we move towards developing NICS?

5. Are there other people you suggest we contact to get involved in the NICS CoP? Please list their names, organizational affiliation, and contact information.
